Email 1: Requesting an Assignment Extension

Subject: Extension Request: **NLP- Assignment**

Dear Professor,

I hope you are having a good day.

I am writing to respectfully ask for an extension on the **NLP- Assignment** due on **30/March/2026**. Unfortunately, I have been dealing with a sudden illness, which has made it difficult for me to finish the work on time.

I have already completed a large part of the assignment. Would it be possible to submit it by **01/April/2026** instead? I am happy to provide any documents, such as a doctor's note, if you need them.

Thank you for your time and for considering my request.

Best regards,

SHELKE VENKATESH BHALCHANDRA
